420skybnb A brand new world of
Travel and Hospitality services for the
NEW exploding legal cannabis
tourism industry.

Problem worth solving

Where is it legal for travelers to safely consume cannabis in legal recreational use States? Millions of travelers travel to these States every year.

Cannabis friendly travel accommodations for travelers in desirable locations are very difficult to find. This leaves travelers in the same position as before legalization.

The 420skybnb™ Solution

420skybnb.com is a booking platform where travelers easily connect with cannabis included 420 lifestyle travel accommodations. Travelers arrive and find friendly hosts and the best in local cannabis products awaiting them. This saves travelers valuable time and money and it is EASY and it is SAFE!
